70	17103880	Yogendra Mantu	I have following grievances after looking into the Provisional Merit List 1. Re-validated score for - At least 1 year of experience in MIS monitoring and data / business analysis is zero (0) - In the call from Mancer it was asked to me what is my job role thus I responded as Database developer and nothing was asked in extra. But as per my Job description as per my resume I have clearly mention - Ø Developing/Maintains SQL Statements (DML/DDDL) & writing complex SQL queries and PL/SQL. Which include creating complex report after analyzing data in the various tables. 2. Re-validated score for - Experience of leading / managing a team of data analysts is ZERO (0) - From last one year I'm the only person in my team which is taking care of the all data base requirement and providing whole team all data base queries and required information in terms of Reports and queries to generate required information from the database. I believe my self as one the merit candidate for Management Information Systems (MIS) & Analytics Cell Lead profile please consider above 2 of my concern and provide proper marks to me so that I can provide my experience and ability where I deserve.	Grievance considered. Additional 25 marks have been awarded for MIS monitoring & data/business analysis and 10 marks have been awarded in team handling experience. Regards Team Mancer	No Change
