17	17107414	Murad Ali	<p>1)I have been placed in the provisional list of candidates not fit for further evaluation process for Department PMU Lead. The reason as mentioned is 'claims made in the application form could not be established from the documents and candidate does not have 3 years of post qualification experience'. Here i would like to mention that i have received an email dated: 14.02.2018 at 10:05 am from your organisation's id-documents@mancerconsulting.com asking for Relieving/Experience letter/TDS certificate/Salary slip of State Bank of India (My present work organisation). The email also mentioned that please send a valid document that establish exact date of joining and leaving and to be sent within 48 hrs. In reply through my email dated: 15.02.2018 11:28 pm i.e. well within 48 hrs, I sent my January 2018 salary slip of State Bank of India(SBI) which clearly reflects my date of joining as 02.07.2012. I also mentioned in my said email that I am still working in SBI and hence date of relieving is not applicable as such. Please be informed that I joined State Bank of Hyderabad (associate bank of SBI) which is merged with State Bank of India since 01.04.2017. Thus the total experience in State Bank Group at the time i filled the application form for this vacancy is over 5 years i.e from July 2012 to October 2017.Thus in my view this post qualification work experience has not been updated at your end which may please be done. A copy of above referred email correspondence and my Jan 2018 sal slip is attached for your ready reference. I would also like to inform you that in the first provisional list published by your organisation for this post i was placed in the 12th place in the list of candidates fit for further evaluation process. A copy of that list is attached herewith.2) I have worked in various assignments in State Bank Group which includes working in Business process re-engineering (BPR) unit i.e. RASMECCC, an specialised cell for Loan processing and monitoring. I was into Loan monitoring division and worked for almost 3 years. I have closely and effectively worked on MIS and other tools. It is therefore prayed that extra weightage may be given for this period of work experience.3) I have also worked in HDFC Sales Pvt Ltd (subsidiary of HDFC Ltd) in marketing & Sales of Home loan. This is also a post qualification work experience of 1.4 years. I have submitted copy of relieving letter of this organisation.4) The total post qualification work experience is thus over 6 years. My name therefore should be included in the list of eligible candidates for further evaluation and should also be awarded additional 5 marks each for 3 years (extra experience over required 3 years).</p>	<p>Grievance Considered.
